

Become A Business Loan Broker

Get Paid To Help Others Access
Business Funding & Tradelines

Earn \$100 upfront + 5%

Your referral commission: Earn \$100 upfront plus 5% of your referred clients' capital raise.

WHO SHOULD PARTICIPATE?

Become a Business Loan Broker to earn commissions while helping entrepreneurs access capital to start or grow a business regardless of credit or time in business.

Our program helps business owners cross two bridges: create the documentation and profile to support a successful capital raise, then access the type of capital that matches their stage of development and qualifications.

YOUR LOAN BROKER PACKAGE

- 01 White label model**
Market under your own branding.
- 02 Landing page + drip marketing**
Direct prospects to a page designed to convert.
- 03 Access to 1,000+ lenders**
SBA, non-SBA and private lenders.
- 04 Complete back-office support**
Processing for all of your deals.
- 05 Working capital access**
Access \$250,000 yourself as a participant.
- 06 Unlimited training & support**
An assigned, dedicated Funding Attorney and underwriting team.

WHY BECOME A BROKER?

- **Help entrepreneurs access funding**
Business loans, commercial real estate and vehicle financing, tradelines and more.
- **A broad pool of potential clients**
Nearly every small business wants or needs capital to start or grow.
- **Accessible client participation**
No minimum credit score or time in business. Client funding in 5-10 days; guaranteed \$250,000+ capital raise.
- **Build your own business**
Set your schedule and control your income.
- **Get started without experience**
No license, certification or experience necessary. A modest startup investment.
- **Per-client commission model**
Earn \$100 upfront plus 5% of your referred clients' capital raise.

LIMITED-TIME INVESTMENT

\$499.99

Normally \$999.99. Become a Certified Business Loan Broker for only \$499.99 through this limited-time promotion.

EARNINGS DISCLAIMER: No income, profit, client enrollment or capital raise is promised or guaranteed. The \$100 upfront and 5% figures describe commission terms, not expected or typical earnings. Income depends on successfully enrolling clients; percentage commissions depend on their subsequent completed capital raises. Results vary with effort, client eligibility, lender approval and market conditions. You may earn nothing or incur a loss after expenses. Commission eligibility and payment timing are governed by the written broker agreement.
